IOA Re, Inc. Instructions for Completing this Disclosure Form

HIPAA Privacy permits the release of Protected Health Information (PHI) for the purpose of evaluating and accepting risk associated with the Plan Sponsor as part of "health care operations". IOA and the Company shall use the information provided solely for the purpose of evaluating the acceptability of this risk and shall not disclose any PHI collected except in performing this risk evaluation.

IOA and the Company will rely upon the information provided in this Disclosure Form, which will become part of the application for stop loss coverage. The purpose of this Form is to allow IOA, on behalf of the Company, to take underwriting action on all known individuals in the categories listed below. It is the Plan Sponsor's responsibility, either directly or through their designated representative, to accurately report all claims known as of the date of this Disclosure by making a thorough review of all applicable records. Such record shall include historical claim reports, disability records, payroll records, current information from administrators, insurers, utilization management companies, managed care companies and any Agent/Broker of the Plan Sponsor. In exchange, the Company will accept the liability for any truly unknown claimants. This Disclosure Form must be completed and signed by the appropriate parties no earlier than thirty (30) days prior for new business (or earlier than thirty (30) days if prior approval is authorized by the IOA underwriter) and no later than ten (10) days after, the proposed Effective Date of stop loss coverage and received by IOA within five (5) days (non-business) of completion.

Upon receipt of this completed Disclosure, IOA will assess all data, new and previously reported, and will inform the producer in writing within seven (7) days (non-business) of any changes to the rates, factors or terms of coverage. IOA, on behalf of the Company, reserves the right to rescind the proposal in its entirety based upon a review of all information submitted during the proposal process.

When completing this Form, remember that Plan Participants may include those on short or long-term disability, COBRA, FMLA, leave of absence, extension of benefits, sick time, vacation time or retirees covered under the plan and for whom coverage is requested in the quote. All of the Plan Participants for which the above situations apply, should be identified accordingly, e.g., John Smith, COBRA, effective xx/xx/xx. List on this Disclosure Form all Plan Participants who are known to meet any of the following criteria:

- 1. Currently confined to a Medical Facility, or who have been precertified for same within the last 90 days.
- 2. Have received medical services during the past twelve (12) months, the cost of which exceeds 50% of the lowest Specific Deductible/Retention applied for, and for which the bills have been received by the Claims Administrator and entered into their claims system.
- 3. Have been identified as a candidate for Case Management and/or as having the potential to exceed 50% of the lowest Specific Deductible/Retention applied for during the policy period.
- 4. Have been diagnosed within the past 12 months with a condition represented by any of the ICD-9 codes listed on page 3 of this Form.
- 5. Have reached their lifetime maximum under the Plan, but could now be reinstated due to an increase in Plan limits.

If the Plan Sponsor fails to disclose any Plan Participant known to fall into one of the above five categories, either intentionally or because a thorough review of all records was not conducted, the Company will have no liability for claims on the Plan Participant who was not disclosed.
